Re: World of Motorcycles Expo – London

I'm pleased to announce that the Sidecar Racers Association will be at the World of Motorcycles Expo in London (Ontario) February 11th – 13th 2011.

We are expanding our racing program this year to include Cayuga & Grand Bend – both of these tracks expose Sidecar racing to the Western Ontario, Michigan, and New York State markets.

The London show and also the upcoming Kitchener / Waterloo shows should generate interest in these 2 racing events.

The World of Motorcycles website is here :- www.womex.ca

Please drop by and see us !

Take care,

Mick Boyle – SRA President
